1. The winner in head to head competition
2. Fewest goals against
3. Most goals scored up to a maximum of four (4) per game

Tie matches: (Semi-Final or Championship matches) If a semi-final or championship game ends in a tie at the end of regulation play there will be a single (15) minute overtime with the

first team scoring (golden goal) being deemed the winner. If that OT period ends in a tie, a winner will be determined by kicks from the spot. (Penalty kicks)

Shoot-out format:

- Five (5) players from each team will be selected to take the penalty shots.
- Any player on the roster may participate in the shoot-out even if she was not playing at the end of regulation.
- Player's red carded during the game or ineligible to play from a previous red card may not participate.
- The teams will alternate taking shots. After 5 shots from each team, the team with the most goals will be declared winner.
- Should the match remain tied, a "sudden death" shoot-out will take place with each team alternating turns until a winner is declared. At least ten (10) different players from each team must take a turn shooting before any player from a team can take a second penalty shot.
